

WALK TO AN AWAY GAME

Great Yarmouth Town Joint Managers are going to walk to the club's away game vs Stowmarket Town on

Saturday 24th November 2018

50 Miles, 16 hours

To support Adam Mason and Martyn Sinclair on their trek please visit the fundraising page:

There is a stigma attached to mental health issues and talking about them. In our hobbies and through exercise we try to improve our well being and the charity MIND have helped many people we know get back on track, focus or just supported them.

Please donate as we look to walk the 50 miles and 16 hours to our away game!

*This is the second big fundraising push we have done after our 24 hour sleep out in 2016 to raise awareness of homelessness in Great Yarmouth. All donations are greatly appreciated. Thank you
